DANCER CALL OUT

We would love to work with 2 Wales-based dance/movement artists at any stage in their career, ideally living in/near Machynlleth, for our upcoming co created performance project 'GLANIO'.

We hope to work with artists interested in creative processes exploring nature connection, climate justice, community building and the role of the arts in climate action.

It would be great if you also enjoy working outdoors and in site specific ways, and if you enjoy collaborations across art forms, have an open, curious and caring approach, we would love to meet you!

Contract fee is £1,000 for 5 days.
Final schedule to be confirmed in February but availability for the following dates in Machynlleth:

April 6th (half day rehearsal)

April 11th & 12th (full day rehearsals)

April 14th (half day rehearsal)

April, 15th & 16th (Performance days)

ABOUT YOU

We would love to work with artists with the following skills/interests:

- Have a form of movement training and performance experience
- Knowledge of/interest in learning more about themes of climate justice, regenerative practice, nature connection
- Have a caring and open approach
- Happy with outdoor performance work.
- Experience in improvisation, comfortable learning movement material and improvisation in performance
- Would be comfortable joining workshops/co-facilitating

Additional desirables:

- Welsh speaker/learner
- Workshop facilitation experience

ABOUT US

Glanio is a partnership between 3 creatives - Marla King (she/her), Clara Rust (she/her) and Fin Jordão (they/them) and Impelo - a participatory dance organisation that share the transformative power of dance to communities and nurture the growth of a vibrant professional dance scene here in Powys.

We came together to explore a creative response to the climate and ecological emergency we face, and find alternative models of performance and socially engaged art practice.

It builds on a performance piece piloted in 2021, working with communities building on relationships with people in Machynlleth, exploring local landscapes, connections and tensions around climate and ecological breakdown, with the potential to provide scalable models for creative and toured work with reduced carbon emissions through hyper local creative and community engagement.

The project has been funded by Arts Council of Wales and Ashley Family Foundation.

If you'd like more info about the project, have a disability and/or D/deaf access support required in order to apply, or have any questions/queries, please get in touch jemma@impelo.org.uk and we can arrange a chat/text over the phone or a video call.

TO APPLY

Email jemma@impelo.org.uk by deadline 5pm 23rd January 2023 with the following:

- A short paragraph (max 100 words) or a short audio message/video expressing your interest in applying for the project
- A link to a movement video (approx 2 mins, either showreel or improv)
- A CV/description of your performance/movement experience/interests. (in document, audio or video form)

Diversity in all its forms makes this and all our projects stronger and we positively encourage deaf and disabled people, African Diaspora people, South East and South Asian people, or people from other ethnically diverse backgrounds to apply.

We will use this information to select the successful dance artists and let you know by 30th January
